ILLICIT STILL SEIZED.

The Apparatus With the Wife of the Owner is Captured.

Officer Kasps captured a whole distilling outfit yesterday afternoon, together with one prisoner, a Chinese woman. The outfit was located in the vicinity of Cape Horn. A BULLE-TIN reporter was afforded an inspection of the distilling apparatus this morning. It was under lock and key in the dark cell at the station.

There were twelve earthen jars containing fermented rice. There were also a boiling pot and four large caus with the usual draining and faucet connections. The liquor has the odor of samshu, the Chinese beverage, but the officer says it is much stronger. The husband of the woman arrested, who owned and manipulated the outfit, escaped and has not been caught as yet.

Leper Band Benefit

In addition to the musical attractions previously mentioned in this paper, for the stereopticon lecture by Captain Cochrane, U. S. M. C. the mandolin and guitar clob will play selections. Vews of Hawaii, United States and Northern Europe will be shown. Reserved seats will be 50 cents, and others 25 cents. The drill shed will likely be crowded to its utmost capacity.

"We take pleasure in recommending Chamberlain's Cough Remedy because it is praised by all who try it," says J. W. Cox & Son, druggists, Marshfield, Oregon. No one afflicted with a throat or lung trouble can use this remedy without praising it. It always gives prompt relief. It is especially valuable for colds as it relieves the longs, makes breathing easier and aids expectoration. A cold will never result in pneumonia when this remoty is taken and reasonable care exercised. For sale by all dealers. Benson, Smith & Co., agents for the Hawarian Islands.
